Beautifully marked daughter of HL Top Notch, paternal granddaughter of Fifty-Fifty BCB and the phenomenal producing 94.50" TTT D/O Miss Grande who has herself sold for well over \$100,000 in public auctions and has produced multiple well known big horned offspring that are highly valued in today's market. Maternal sister to our bull CATCH. This young lady is built like a tank, has great disposition, and stacked with some great genetics.

**TTT:** 51.2500 on 09/28/2023
