Tari is one of those that stands in front of the ranger and blocks us from moving any further unless the cubes are served. One of our largest frame cows, out of a 90"TTT Dam and stacked pedigree on top and bottom. She always out produces herself, one of her daughters is over 84"TTT at 4+ years and another was at over 60"TTT at 24 months. She is a gentle giant, great Momma, wonderful disposition and WOW COW in the pasture.

Total Horn: 72.5000 on 05/09/2015
TTT: 72.2500 on 06/08/2020
